ABOUT US

1st Access is an In-Home Care & Consumer Directed Service provider that offers a unique combination of premier home care and community-based services to the Greater Kansas City, Jackson, Johnson, Ray, Platte, Cass and Clay Counties. The services are contracted with and reimbursed by the state.

It is our goal to employ competent, caring, and well-trained individuals who are responsive to the needs of our patients, their families, and the communities we serve.

Each staff member will meet the State of Missouri educational and training requirements for the services they provide. We encourage and support continued education of each service provider. In turn, our agency will provide staff with competitive compensation, an inviting work environment, and knowledgeable, trustworthy management and direction.
